About Us

Established in the year **2013**, **EYON Imex** offers to customize Flameproof Lights, Non-Flameproof Lights, Street Light Poles and much more. We have 17 years of industrial manufacturing experience with 5 years in lighting technologies. Our in-depth market research focuses on challenges faced by the end user. Our products are durable, long lasting, and of a very high quality. Innovations are always laborious, time taking, expensive and risky; but we have taken initiatives & received excellent results. Many of our products would not have been possible without active help, guidance, and feedback from our customers. Whatever may be the type of your requirements, We can craft a solution, just for you. Our unmatched aftersales support makes sure, our customer's investments are safe with no cost of ownership during the warranty period. We are known to deliver with a graded set of items as per the direction of our mentor **Mr. Prem Khadka** based on whose extreme expertise we have been able to cater with the best set of products at the earliest of time frame.
