About Us

Some things last ... and get passed down generations! The family home, your great grandmother's filigree bracelet, your mother's hand woven silk saree from China, the old wooden rolltop desk where your grand uncle penned his memoirs ... But times have changed. Today, what you see is not what you get. When you buy a teak bed nowadays, you get a bed with a teak frame while the base is plain plywood. Or you could buy a cabinet that looks like rosewood but is just MDF with a perfect laminate. Welcome to **Fab Home**. Where what you see is what you get. Fab Home is one of the few furniture showrooms that specialize in Indian furniture designs made completely in solid wood. Our range of Rajasthani and Delhi Mughal furniture is crafted out of Indian Sheesham wood and teak, and polished with natural wax a
