Setting new standards of loyalty and integrity, we are one of the leading and trustworthy names in Indian Architectural Industry.

## About Us

Located at Mumbai, the economical hub of India, we “Facade India Testing Inc.”, are one of the leading firms engaged in testing of curtain walling, windows, cladding systems and other hardwares that are extensively used in construction of residential & commercial buildings. We are also one of the few counted names to have association with apex American institutions like : "AAMA ( AMERICAN ARCHITECTURAL MANUFACTURERS ASSOCIATION) & ASTM ( AMERICAN STANDARDS FOR TESTING MATERIALS)". Facilitated with hi-tech equipments that have been imported from USA, UK and Japan with highest level of sophistication, we ensure our each testing procedure give 100% fault-free result. We offer excellent pricing scheme that is significantly more cost-effective than that of competing service provider. Our reduced overheads and efficient testing processes help us to competitively price our services that can further aid our clients to have an edge in their markets.
