About Us

Fancy Pranda House has been into the manufacturing of Specially Handcrafted Tassels & related products and Christmas articles for the last 25 years. We have the vast range of variety of products in our stride such as Tassels, Belts, Tie-backs, Trimmings, Fringes, Napkin Rings, Cords, Laces, Braids, Christmas Ornaments in Rayon, Zari, Cotton, Jute, Shenile, Brass, Metal, etc.

In the beginning we catered the domestic market and achieved good name and fame by producing the true Indian Art of Handicrafts. Tassels of different varieties were put up in the showroom that attracts large number of overseas customers. The business gained momentum from 1990 when some European buyers showed their interest in our products.

We spread our legs by participating for the first time in an International Exhibition : Indian Handicrafts & Gifts Fair held at New Delhi in the year 1995 under the surveillance of Export Promotion Council for Handicrafts, even though we had been exhibiting our crafted products in domestic exhibitions. We had tremendous response and huge export orders there as a large number of overseas buyers thronged our stall and shown keen interest in our products for their quality, style, design and art.

As we are committed to produce international quality products according to the customer's requirement with innovative styles and designs at highly competitive prices, we have a team of about one hundred highly skilled craftsmen for fabrication and more than...
