Manufacturer of milk powder, dairy products etc.

## About Us

Having started from a modest beginning of milk procurement and marketing way back in the year 1953, **Late Shri Rattan Lal** developed this business manifold not only to selling of milk but also manufacturing dairy products. These dairy products viz skimmed milk powder, whole milk powder, dairy whitener, butter and ghee are manufactured in the state-of-the-art Dairy Plant, which is equipped to process about 3,00,000 liters milk per day, installed at Kundli, Distt. Sonapat, Haryana. The unit is now functioning in the name of **Farmgate Agro Milch Pvt. Ltd. Farmgate Agro Milch Pvt. Ltd.**, formerly known as Daily Foods (India), a more than two decade old Dairy manufacturing company under the leadership of Mr. Rakesh Kumar is a name synonymous with trust. It's with sheer dint of dedication, entrepreneurial skills and a drive to excel that Mr. Rakesh Kumar has made **FAMPL**, reach the place it is today. His operational capabilities alongwith an eye for detail has made **'RAJAT and 'DAIRY ANGEL'** a household name especially in Northern India. His farsightedness and an ability to grab opportunities has led to the continuous growth of the company. It was during the initial years of **FAMPL**, that Mr. Rakesh Kumar gained the skills of the business from his father, Late Shri Rattan Lal. He also learnt the importance of hygiene and sanitary conditions that the business requires and that he strictly adheres to. A...
