## About Us

Fedwear's intention to dress each of them so uniquely is thus justified! After all, every woman needs a personal fashion stylist to dress her up like an angel of Earth, simply because every beautiful gift deserves to be wrapped up and presented so gracefully. Fedwear is like your personal stylist accentuating the beauty within you. Traditional quality of fabrics is combined with contemporary themes and modern women's fashion ideas. Fedwear's ethnic collection unveils the uniqueness in every woman by intensifying her fashion sense, bringing out her beauty through custom made dresses, and showcases the confidence in her. The designer boutique has perfected the art of blending fabrics with fashion expertise, trendy ideas, contemporary designs, artistry and craftsmanship, lending women the modern yet traditional Indian look that is admired all over the world. The Dress maker... Fedwear was born from the 'passion for fashion' of Jancy Dama, an avid designer and art lover. Armed with extreme love for art and experience in the same from childhood, Jancy says that an admirable designer boutique was her dream from youth. With Fedwear, she wants to take "dress-making" to a whole new level. Fedwear Highlights:

- Designer dresses
- Mural paintings on Dress Materials
- Custom dresses sewed to customer's will
- One Shop destination for Designer Sarees, Churidar Materials
- Exclusive collection of...
