About Us

Fena (P) Limited is a professionally managed & **Government Recognized Export House** engaged in marketing and export of agro commodities, stainless steel kitchenware, builders hardware, detergents and various other products. We were formerly known as Syndet & Chemical Industries Limited. With a humble beginning in 1976, we have gradually carved a niche for ourselves in the concerned market. Our high quality standard products provide outstanding value for money to our customers. Our products enjoy an excellent presence in today's global market and conforms to the standards that the world demands. We are committed to build core strengths through our product's superior qualities and our wide distribution network. As we are engaged in our modern professional management practices, we are able to offer new products with our scientific approach.
