About Us

FRAC is a Research and Analysis Laboratory of international repute and a "Center of Excellence" for analysis, product safety, quality control and pre-export inspection and certification. It was established in 1989 under the competent aegis of **Federation of Indian Chambers of Commerce and Industry (FICCI)** and its allied body **Confederation of Indian Food Trade and Industry (CIFTI)**. It is an autonomous body registered under the Indian Society Act XXI of 1860 and supported by Ministry of Food Processing Industry, Government of India. FRAC is an **ISO: 9001-2008** certified, **NABL accredited** and **BIS approved laboratory**. FRAC is also empaneled with the **Food Safety and Standards Authority of India (FSSAI)**.

FRAC was established as an analysis and testing facility to provide reliable and accurate analysis services to the food processing industries in India. **FRAC** is committed to provide analysis of consistently high quality, satisfying the needs and expectations of the customers and statutory requirements, so that they serve their intended purpose leading to total customer satisfaction. **FRAC** is governed by a Governing Council (GC) consisting of members from Food Industries, Government of India Institutions, Scientific Institutes, Bureaucrats, FICCI, CIFTI and other distinguished experts. A Technical Advisory Committee (TAC), consisting of distinguished experts in the area, also advises it on...
