About Us

Established in the year **2012**, **Fiction Star** is among the most notable names engaged in rendering services comprising **Web Design Service, E-Commerce Designing Service, CMS Development Service, HTML Web Designing Service, Web Development Services, Graphic Design Services, SEO Services, Logo Designing Service, Banner Designing Service, Web Maintenance Service, Web Hosting Service** and **Domain Name Registration Service etc.** Also, the inexpensive rates at which we are providing these services make these immensely cherished and applauded. Not only this, our offered facility of customization has received us enormous patrons' base and a reputed position in this business realm.

Our firm has adroit team of executives who possess huge understanding in this realm. Our management has separated our team in to many sections such as sales & marketing professionals, procurement agents, delivery staff and quality controllers. For the stable working of the whole business process and to attain supreme customers' satisfaction, our team of deft personnel works in a close harmony with each other. Beneath the noticeable tutelage and endless inspiration of our mentor **Mr. Faizan Farooqui**, we have accomplished a formidable standing in this market. His enormous industry experience, huge field proficiency and exceptional managerial skills have empowered us to reach the towering heights of success.
