https://www.indiamart.com/fine-tech-system/

We are one of the leading manufacturers, suppliers and exporters of a wide range of **LED Lights,Emergency Lights, Automatic Bell Timers,Solar Products, UPS and Inverter.** These products are widely appreciated for quality and durability.

About Us

Finetech Systems was established in the year 1995 and set a benchmark in manufacturing, supplying and exporting of **LED Lights, Automatic Bell Timers, UPS, Inverter** and many more**.** These products have enormous demand all across the world for their ability to perform under any conditions and gives excellent result in the usage. We export 60%-80% of our products to different parts of world. Our products find substantive place in various industries and meet the complete requirement of customers. All the products are fabricated at our sophisticated manufacturing unit that has all the required facilities to manufacture quality focused products with perfection and accuracy. The complete production operations are handled by our team of dexterous and experienced professionals who hold expertise in this domain. We only use superior grade raw material and latest methods of engineering in the production process to ensure only high caliber products are manufactured at our end. Considering the specific requirement of customers, we also customize the products and deliver them timely. Under the able guidance of our **CEO, "Mr. Nalla Sivam",** who has rich experience in this industry, we have carved a niche for ourselves in this domain. His ethical business policies and transparency in dealings have helped us to gain the trust and confidence of customers. Following his footsteps, we have achieved an annual turnover of **US$ 0.25-1 Million (Rs. 1-4 Crore...**
