About Us

Fine Heat Treaters is a small scale industry established in 1999. The company is managed by persons who are highly experienced in Heat Treatment and Tool room technology. The company is specialised in the heat treatment of Tool and Alloy steels that are commonly used in tool manufacturing. It is a tailor-made heat treatment unit for tool rooms and manufacturers of cutting tools, cold & hot forging tools, die casting tools, extrusion dies, Fine Blanking tools, Press tools, etc. Heat treatment of High speed steel, which is a highly specialised field is our forte. We are market leaders in HSS heat treatment in Bangalore.

Fine Heat Treaters is the only heat treatment shop in Bangalore offering both Salt Bath heat treatment and Vacuum Heat Treatment under one roof.

Technical excellence and professional management enables us to meet the stringent quality requirement of high profile customers.

Apart from customers in Bangalore, we cater to companies from Hubli, Belgaum, Chennai, Coimbatore and Hyderabad.
