## About Us

FINS Engineers & Contractors (P) Ltd., is a name of trust, reliability and efficiency, in the building and allied industry in Kerala. With its operational base at Thrissur in Kerala, FINS began its operation as a proprietary concern in the year 1988. In its path of progress, under professional management and a dedicated team of technical and administrative staff, FINS grew to become a Private Limited Company in the year 2001, under the title FINS Engineers & Contractors (P) Ltd. Through the years, FINS has developed a workforce capable enough to take up the simplest to the most challenging tasks in the construction and allied industry. Today we are one of the best in Kerala, taking up major large scale projects.
