About Us

Fit N Fine Health club started small on 2000 sq ft area in 1999 with latest single station strength training equipments and only one treadmill and one upright bike. We commenced operations in heart of Indore at Geeta Bhawan Square, A.B Road, and was instant hit amongst the health conscious and fitness freaks of Indore. This was the first state of art health club to provide the denizens with electronic treadmills and professional trainers. Though it was not easy initially as the people were not well informed and lack of awareness and motivation on fitness made it a tough job to attract the people. However a practical approach, one of the biggest infrastructures and a strong conviction led a flock of people pouring in as loyal customers
