About Us

Fit N Fine was established in the year 1991. We are the leading Importer, Wholesaler, Trader of Recumbent Bike, Upright Bike, Fitness Treadmill, Gym Equipment, Twister Exercise Machine, Cross Trainer, Jogger Machine, Massage Chair etc. We held fast to our motto of adamant to quality and innovation, which consequently has become the sole reason for our unprecedented success in our domain. We always strive to provide our customers with the best quality of products with a keen sensitivity towards cost.

These are with the polish of various colors and in subtly striking patterns that makes the appearance of floors inviting and appealing. Following this, we utilize superior grades of raw materials and technologically advanced methods while fabricating our range of gym equipment and commercial gym equipment. The superior quality of our products along with our client centric business approach helped us gather an enormous customer base throughout the world.
