## About Us

FLAVOURS is a locally owned and managed by Indians, employing staff, sourcing local suppliers to serve its customers.

In India, the brand FLAVOURS is managed by Mr. Alfred and Mr. Thomas, is spread across Pune in Maharashtra, India. Today we are 3+1 outlets strong and counting, with our presence spread across the Pune city.

When we opened our doors in Pune in 2006 in Koregaon Park it was our first operating area serving a pure vegetarian menu. We were the first to start sandwiches, grilled sandwiches and toasts in Pune. We started with a hathgadi in K.P. Struggling from there and with an outstanding response we were more dedicated to reach heights but due to some problems from corporation people we had to shut down... But losing no hopes we started at Gangadham with a stall, then at F.C Road, then Viman-nagar and Pimle Saudagar....

We are the only one where the menu has significant number of products like World's No-1 Chocolate Toast on Google Search Engine, Mumbai Masala Toast, Cheese Chilly Toast, Cheese Garlic Toast, Cheese Onion Capsicum Toast, Baked Beans Cheese Toast, Veg Club Sandwich/Toast etc and 40 such various toast that have been locally innovated. Today, our menu has a healthy balance of nutrients.

We are committed, and respect the culture and sensitivities existing in the local community yet remain innovative that we are well-known for.
