Flexibles India

<https://www.indiamart.com/flexibles-india/>

We are a leading manufacturer, supplier and exporter of an ISI certified range of Suction Hoses, Hydraulic Hoses & Concrete Hoses. Our entire range is highly acclaimed for its durability, high tensile strength and lower operation costs.

About Us

Established in the year **2001**, we, “ **Flexibles India** ”, are a highly acclaimed manufacturer, supplier and importer of an ISO Certified range of Hydraulic Hoses, Concrete Rubber Hose, S.S Corrugated & Interlock Hose, Concrete Pump Pipe Line, Clamp, Cleaning balls & Spares of Concrete Pump. The hoses offered by us are designed as per the ISO Specifications. Our firm employs supreme grade material to manufacture these hoses & Clamps, which we source from prominent vendors in the market. Owing to their features such as resistance to abrasion, high tensile strength and durability, these hoses are widely used in several applications such as anti-freeze solutions, hydraulic oil lines and suction of fuel, oil, gasoline, water, Steam, concrete pumps, Construction Equipments.

We are a Sole Proprietorship (Individual) firm, located at Ballabgarh, Faridabad (Haryana, India). Our firm is supported by a team of diligent professionals, which proficiently manages and controls the entire production process. The experts implement appropriate management policies that help us in executing all the activities in a smooth and systematic order. Being a client-centric organization, we aim at maximizing the satisfaction level of our patrons in all aspects. We make sure that the hoses delivered to the clients perform the required functions efficiently. Keeping their budgetary constraints in mind, we offer these hoses at highly reasonable prices.
