## About Us

It started in 1969, The agreement of the land Hotel 7 Loves was built up on was initially given to build up a branch of Central bank of India. After the building was setup in 1971, the government refused to take the property on rent as many banks were nationalized including Central bank of India. Suddenly the government of Maharashtra passed an ordinance to liberalize the liquor license, which was bought by a few hotels including Hotel 7 Loves. It in turn was very advantageous to the business. Over a period of few years Mr. Bhagchand P Ramchandani built a lodging in the hotel as well. The head chef of the hotel has been working in this establishment since 1971 and still continues to give tasty and quality food to its customers. Now the Reins of the Hotel is passed on by Mr Bhagchand to his son & grandson. Hotel 7 Loves has been giving service with a smile and with the blessings of our customers we will continue to do so.
