Faizal Moidu & Company FMCO was started out of a need to provide exemplary & transformational consultancy & supportive services to individuals & businesses alike. We pride ourselves as one of the leaders in the Business consultancy.

## About Us

Faizal Moidu & Company (FMCO) has been at the forefront of many a business's transformation to the next big league. Our consultants bring more than 20 years of experience, knowledge and valuable business insights. We bring together multi-cultural expertise and best practices across businesses, industries and institutions. We advise clients in strategy, operations, marketing, services, technology, and mergers and acquisitions. We not only advise the clients on step forward, but work together with our clients in implementation of the strategy and follow up. We provide advice related to Business Strategy, Marketing, Sales, Operations, and Finance decisions. We pride our association with SMEs, first generational entrepreneurs, industry associations and MNCs. Our engagements are mostly "transformational" in nature span over multi-years significantly impacting client's revenue growth and stakeholder wealth creation. FMCO is founded on the belief that only multi-perspective integrative approaches can sustain a competitive advantage in an era of open innovations and dispersed global markets. We take pride in sustaining the growth momentum of client organization and significant stake holder wealth creation. Our constant effort in all our client engagement is to rapidly synergize the core capabilities of the organization and its effectiveness to help them in reaching the 'desired state'.
