## About Us

Food for you was formed with this thought as the prime focus where we targeted to serve food for people in an affordable price which will give a sense of satisfaction for the buyer and also result in us making business and not falling into losses. A simple thai menu at a price of Rs.50/- which includes Roti, Two curry's, Two rice types a desert serves as a perfect meal for a lunch or dinner. The price makes it appealing for individuals to buy and not feel it's been overpriced. At the same time, there is no compromise on the quality of the product. We have ensure that there is no compromise on the food being healthy. We cook with Healthy Heart Oil, use only Basmathi rice for Plain Rice, Biryani and different types of rice dishes. All our groceries are 95% ordered from bigbasket.com which assures the quality of the products. We also seek continuous feedback from our customers and try & implement them as and when possible. We have also created employment oppurtunties by hiring ladies in the kitchen, have delivery boys who go around deliver food & also drivers who do the chores. We look forward to continue serving more people at the best affordable prices with great quantity.
