We are a prominent firm engaged in providing message & voice-based services for clients via SMS and Voice Solutions. Owing to features like timeliness and cost-effectiveness, our services are widely acclaimed by the nationwide clients.

About Us

Established in the year **1989**, we, "**Fortune Microsystem**", are an eminent service-provider for **SMS and Voice Solutions**. Ours is a Sole Proprietorship (Individual) firm, which is based at **Mumbai(Maharashtra, India)**. The solutions offered by us enables us in having instant recording of the messages as compared to calls. Our voice broadcasting services are highly effective in campaigning for government and non-governmental organizations. Moreover, these services are also effective in promotional campaigns that include store launch and discount sales.

We have earned strong credibility in the industry owing to the premium quality of our services. Our clients can avail the offered services from us as per their choices and requirements. We provide varied voice solutions to our clients that include fax services, broadcasting services and call services.

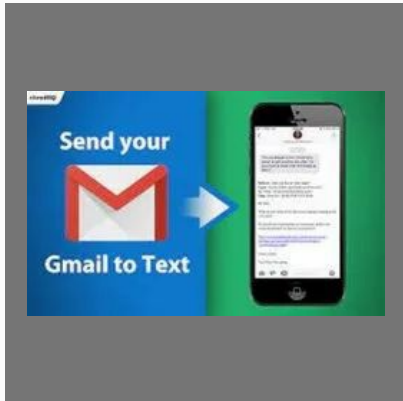

Under the proficient guidance of our mentor, '**Mr. Sanjay Shah**', we have achieved tremendous success over these years. His immense domain expertise, constant inspiration and scintillating managerial skills have enabled us to stay ahead over our competitors.
