Providing digital signature services.

About Us

Fourth Dimension Service Solutions is a leading KPO unit and Digital Signature Certificate provider in India. FDSS offers business value to clients by combining operational excellence with deep domain expertise. FDSS consistently delivers financial and technical solutions through a combination of technology knowhow, domain and process expertise. Fourth Dimension Service Solutions was formed in 2006. Our unique strength lies in our ability to provide integrated solutions involving Applications and Knowledge Process Outsourcing. The convergence of technologies such as web services, workflow software and business performance monitoring along with business intelligence and customer focus drive all our services delivery offerings. Our emphasis is on developing flexible platforms that allow our clients to rapidly implement business processes with minimal capital outlays.
