About Us

We M/S FREIGHT INDIA LOGISTICS is an International freight forwarding as well as CHA based company. We are one of the leading freight forwarding company of Import & Export consignments in the eastern region. The hallmark of our success can be summed up in one word – Reliability. We have been in this trade over a decade. Over a decade of experience, the company has gained expertise in handling various types of consignment. Further it has designed exclusive departments to handle the same. A separate documentation department has been developed to give more emphasize to the growing needs of special & efficient documentation requirements. Now the company is focusing on providing its customers a best possible third party logistic solution. More of systems are developed to ensure the best performance of the consignments, with consistency.
