About Us

we “**Friends Electronics & Electricals**” are the eminent **wholesaler, traders & service provider** of a wide range of **Household Electrical Items, Appliances and Electronic Products** such as **Fans, Lightings, Stabilizers, Appliances and MCB's etc.** Widely appreciated for their superior quality, high performance and longer working life, these products are procured from the leading vendors in the industry, who are known for their quality production. Apart from being acknowledged for offering the best quality of products to our customers, we are also appreciated for our on time deliveries and after sales services. The success of our business has resulted through the consistent efforts of our expert team members, who with their wide experience and expertise in their respective domains, help us in all our endeavors. From the selection of our vendors till the delivery of our products to the customers, our professionals help us in maintaining strong business relations with our vendors and customers. Therefore, with our ethical business practices and transparencies in our dealings, we are capable of meeting our ever growing targets in time. With the help and support of our mentor **Mr. Pradeep Jain**, we have been able to provided our customers with the best range of Household Electrical Appliances. Further, his in-depth knowledge and understanding of the market and wide industry experience, has helped us in...
