## About Us

**FUSION CREATIONS** IS THE MIND SPARK OF GIRLS , to bring a wind of change in market with their delicious CHOCOLATES, CUPCAKES , CAKES & JAR CAKES. This place spells fusion in all the ways as it offers fusion of gourmet chocolates, cakes, cupcakes, jar cakes, cookies, pies, puddings, chocolate bouquet and much more.

Creative, delicious, different from others and innovation is the introduction for fusion creations. Two young girls KENA and CHAITALI have come up with this idea of “crafting occasions” for their clients through chocolates & other bakery products which has become trend in today’s era.

We offer varieties of exotic chocolates to choose from the regular to premium assortments, to exclusive designer chocolates, specially molded hand crafted chocolates depicting your company logo, message or product shape with exact design and profile. We also provide chocolate gift box imprinted with your company's logo, message, corporate identity, colour theme, personal message making your gift the most enchanting & memorable one.

We create annual or festive chocolate gifting solutions for your clients, partners, employees and business associates. Employee birthdays, dealers or partner's meet, new launch or promotion programs with theme design packaging.

We cater to different needs be it retail, corporate, bulk or party in customized & unique personalize way.

Our philosophy, that the...
