About Us

Deeply ingrained in Dombivli (Maharashtra, India), **Unicorn Export Import** commenced its business operations in the year 2013. Under the expert guidance of our mentors, the company has gained a strong client base and reputed position in the global market.

Inventory Management System

The company is known for its streamlined inventory management system managed by adroit professionals. With the help of this system, we are able to keep a track on the entire stock as well as can meet the bulk requirements of the clients at urgent basis.

Warehousing & Packaging

- **Warehousing** : The Company has a spacious warehouse in which the entire array of products is securely stored away from rain, sunlight, dust and other factors.
- **Packaging** : We ensure that the packaging of our products is done with precision and using quality materials to ensure zero damage during transit.

Our Wide Network

The company is widely acknowledged for its wide distribution network that helps in reaching any required destination with ease. Moreover, our modern transport facilities make our delivery services prompt and efficient.
