# GAC Taxation Classes

<https://www.indiamart.com/gac-taxation-classes/>

Gopal Agarwal classes is started to impart the taxation classes to the students appearing for CA, CS, CMA or other professional courses / university.

## About Us

Gopal Agarwal classes is started to impart the taxation classes to the students appearing for CA, CS, CMA or other professional courses / university. Taxation classes is taken by Gopal Agarwal who is a Delhi based CA, having more than 10 years of experience in the field of taxation, specially in income tax and service tax.

He has worked as tax head for listed companies, prior to setting up his own tax consultancy. That the student can get the practical aspect of taxation laws along with strong theoretical grip on subject content as per the prescribed syllabus.

That student can score good marks in practical subject.

That student can make career out of taxation laws.
