

Galaxy Enterprises

<https://www.indiamart.com/galaxy-enterprises-mumbai/>

We are one of the leading Manufacturers and Suppliers of Nitrobenzene Emulsifier and other Laboratory Chemicals. These emulsifier are widely appreciated by the customers for the features like purity and accurate composition and are safe to use.

About Us

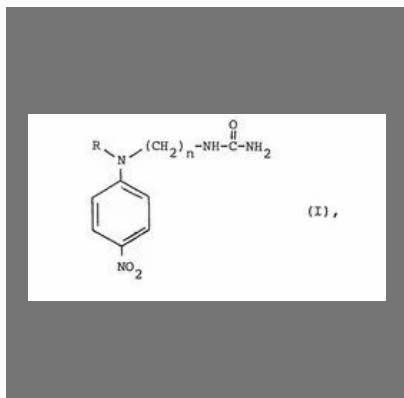

Established in the year **2010**, we, "**Galaxy Enterprises**", are a reputed company engaged in the field of **manufacturing and supplying** a wide range of **Nitro-benzene Emulsifier in the form of Powder, Solvent and Paste**. With the usage of advanced processing system, we have been instrumental in providing these powder and paste solutions in adherence to the international standards and norms of quality prescribed by the industry. We also provide other **Laboratory Chemicals**. Following the policy of customization for our range of **Emulsifiers**, we have been able to gain accolades from our clients, spread all across the nation. The dedication of our lab attendants and our strict quality control endeavors have helped us in providing our clients with such solutions that are appreciated for being non toxic to hormones used in field and enzymes. Moreover, we provide our clients with such chemicals that are highly pure and uncontaminated. Under the visionary guidance of our mentor, "**Mr. Vijayender**" and "**Mr. Krutin Shah**", we have created a firm foothold in the market. His sharp business insight and futuristic approach have enabled us to expand our business operations and hence, become a reckoned name in this domain.
