## About Us

Galaxy Infotech is totally Indian owned, and has been serving Pune home and business users for over 2 years. We have a large client base and continue to strive for the highest standards attainable. We pride ourselves on our professionalism, and extensive knowledge in everything IT.

We endeavour to find a solution to your problems, as we believe and maintain all problems are fixable, and appreciate that computers.

We aim to please and that is our motto. A lot of our work comes from referrals, which bears testimony itself.

Computers are what we do best, repairs, upgrading, tweaking, setting up, installing, teaching, software troubleshooting or simply wanting free advice, you can turn to us with confidence in the knowledge that you are dealing with a highly qualified group of technicians. We cover all brands of desktop and laptop computers, PC, and will travel all over Pune to service your needs. We even sell new and second hand computers, so all in all.

It all starts with a simple phone call, so if you feel you need some free advice, or want to book a technician for an onsite visit , we are here to help you! Quality control is very important to us and for this reason all our computer repairs are completed in-house to maintain our standards of quality and speed of repair.
