We are a revered name in manufacturing and supplying a wide range of painting tools and equipment. Our products are widely used for painting of various automobiles, commercial and residential property, furniture and various others.

About Us

Established in the year 2000, we, **Galeon** are amongst the reputed organizations engaged in manufacturing and supplying a wide variety of **Painting Tools and Equipment**. Our products are simple, effective and provide effective results within small time frames. We ensure to make use of high-grade raw material, procured from certified vendors, which has resulted in painting tools and equipment that are durable and offer high service life. We are a professionally managed organization committed to be responsive towards its clients' requirement within the given time. Our team of professionals works closely with the clients to understand their requirements so that products can offer in tandem with the same. With this we have managed to acquire a vast base of clients not only in the local markets of Mumbai but all across India. We are moving ahead the competition under the able guidance of **Mr. A. J. Rodrigues**. He is man of sharp business acumen and many years of practical experience with which he guides our team regarding the industry changes. It is because of his support that we have managed to cater to the bulk consignments easily without any compromise on quality or delivery timelines.
