About Us

Ganesh Textile Mills was established in 1974, we are Manufacture, Supplier, Trader and Exporter of Woolen Blanket, Woolen Blazer, Grey Coat Cloth, Serge Cloth, Angola Cloth, Knitting Cloth and Shawl. Within a short span of time, our company has been able to carve a niche as a reliable enterprise, preferred by a huge base of clients in the industry. This has been possible due to our immense efforts towards attaining optimum quality for our products. The offered range is manufactured using high grade raw material like wool, fabric, etc., that are sourced from a reliable base of vendors of the market.

Since the formation of our firm, we have maintained high standards of quality, be it the manufacturing machines used, raw material utilized or the kind of team that works for us. Moreover, all our products are subjected to strict quality checking that provides us the confidence to assure our clients that a flawless range is being delivered to their end.
