About Us

We strongly believe that India is land of Entrepreneurs. Our great grandfather Mr. BECHARDAS RANCHHODDAS PATEL gave birth to his entrepreneurial spirit in the year 1921 by forming B.R Group. Initially he started with trading of spices by procuring them from Gujarat and supplying to rest of India. Later in the year 1926, his son Mr. Gangaram Tribhovandas Patel – a member of B. R. Group gave new dimensions to the family business by trading beyond the national boundaries.
