About Us

Extensive experience into real estate has enabled Gardenia Group to progress steadily and swiftly towards being a prominent name in the industry. Being one of the most sought after names in the realty sector, Gardenia Group's activities encompass development of commercial & residential projects. The group looks forward to create an ineffaceable mark for itself by delivering streamlined services, at par with the global standards.

Backed by a team of internationally acclaimed architects and design consultants, Gardenia Group relentlessly works toward creating quality and innovative benchmarks for the industry. From conceptualization, to designing of the state-of-the-art edifices, our skillful human resources deliver outstanding services in terms of quality and commitment. Our domain expertise, envisions us to be amongst the topmost real estate developers of the world.

Smart execution with a touch of international appeal in each project; has enabled us to emerge as a distinguished name in the real estate sector. Client satisfaction being our topmost priority, we provide tailor-made solutions in accordance to the needs & requirements of the clients.
