About Us

Garuda Digital Arts® is one of the fastest-growing Photography and Video Production houses based in Bengaluru. We provide a wide range of services in the field of Photography and Video Production. Our expertise is into creating Ad Films, Corporate Films, Business Videos and TV Commercials. In addition, we provide Photography and Video Production Services (Traditional and Candid) for Weddings, Events/Functions and other special occasions.

We are a team of experienced Filmmakers, Directors, Producers and Artists. We are professionals and follow a systematic approach to carry on Pre-Production, Production and Post-Production activities. We maintain very high standards at work and Client Satisfaction is our main motto.

We adopt a customer-centric approach and customize our services based on the client requirement.

We also create Personalized Portfolio shoots for the individuals working in specific professions like Doctors, Engineers, Professors, Businessman / Entrepreneurs, Designers, Fashion Models, Artists etc.
