About Us

Established in the year, **1980**, we, “**Gayatri Anticorrosive Lining**”, are one of the renowned manufacturer and supplier of a wide array of **Acid/Alkali Proof Mortars**. Owing to our technologically advanced production process, we are able to supply Acid/Alkali Proof Cement Mortars in varied quantities. Our production process is supported by a team of qualified and diligent professionals, which has immense knowledge in different domains. We are a approved contractor for various govt. and semi govt., as well as private companies that is an evidence of our ability to serve all across the world. Besides, we also have expertise in effluent treatment plants that makes us a leader of our domain. Providing reliable services in respect of corrosion engineering, we also have the capability to undertake various turnkey projects and contracts that we complete in the due time. We undertake turnkey contact for acid/alkali proof bricks/tile lining, mastic lining & epoxy screeding, epoxy self leveling, epoxy coating and pu painting. These jobs are executed by skilled and trained professionals, who are insured under the accidental policy (Workman compensation Act). We have also done job-work of Rs. 60 Lacs for Larson & Turbo Ltd., C/o. Reliance Industries Ltd. Hazira (Surat) for petrochemical project during '96 and '97. Further, we have also executed work at Arvind
