## About Us

The company has a manufacturing history of over two decades, during which it has achieved phenomenal success as a leading supplier of ACSR Steel Core Wire & GS Earth-Wire. Quality is the guiding force at GWPL and total quality control is an integral part of the manufacturing process from raw-material to the finished goods. GWPL wires are rigorously tested in terms of Surface Finish, Tensile Strength, Torsion, Breaking Load, Zinc Coating, Dip (Adhesion) Test.
