About Us

Add elegance to the interior of your home, office, etc. with the exclusive range of Wooden Furniture offered by Geetha Carpentry & Engineering works. We are counted among the paramount manufacturers and suppliers of Wooden Beds, Wooden Center Tables, Wooden Doors, etc. With our more than 4 decade experience, we have become synonymous to quality, excellence and creativity. The innovation shown by us in our products as well as general carpentry, interior and renovation services has made us a prominent business entity.

Our knowledge about traditional wood working has assisted us in extending our base from Kerala to other parts of the country. We have also done renovation of old temples throughout South Indian and North Indian Cities. Ethical business policies and timely completion of work have played a key role in surpassing our competitors. We endeavor to maintain cordial relations with the clients in the long run with complete trust and satisfaction.
