We are engaged in manufacturing, supplying and trading of the wide range of Metal Gearbox, Metal Gear, Geared Motor and many more. Best quality Gearbox Retrofitting Service and Heavy Fabrication Service are also provided by us.
About Us

**General Drive** came into being in the year 2011 and proved its competency as the leading manufacturer, supplier and trader of the wide range of Gravity Conveyor Roller, Gully Grating, Butterfly valve, Metal Gear and many more. Besides, one can also avail from us Gearbox Retrofitting Service, Gearbox Inspection Service, Oil Analysis Service and Heavy Fabrication Service. Our products and services are precisely engineered in confirmation with the prescribed quality standards and quality is given utmost importance. The products and services we provide are planned and manufactured in tandem with the customer’s demand. Owing to high quality and reliability demand of our range is rapidly increasing among the customers. Our customer base is increasing day by day, which proves how successfully we have answered their demands. Each and every product is tested individually and services are executed under the stern supervision of experts, so that flaws and errors are kept away.

**P. Vijaya Kumar, Managing Director** of the firm is the person whose selfless contribution has enabled us to carve a prominent position in industry. His guidance and knowledge lead us to overcome the market challenges successfully and proves our efficiency despite severe competition. Professionals working with us are playing important role in serving the dynamic customer’s demand. We select our team by carefully judging...
