<https://www.indiamart.com/genius-research-services/>

Genius Research is a full-service Market Research/Data Collection Agency and Consultancy,

We depict our service portfolio across industry and geography Pan-India & International..

About Us

Genius Research is a leading provider of Market Research for clients working in ultra-competitive industries worldwide. A full-service Market Research firm with expertise in designing and implementing a full range of unique methodologies and capabilities.

Our combination of leading edge statistical techniques, extensive experience and inside industry knowledge provides clients with research results that are valid, projectable and actionable.

An innovation firm dedicated to both Quantitative and Qualitative Research with an emphasis on quality.

We inspire: new products and services, positioning, claims, insights, strategic planning, brand strategy, and any kind of innovative thinking. Our tried and trusted creative process is infused with a healthy mix of creativity and practicality.

We help you work with your customers as opposed to guessing and assuming their needs and wants.
