Genius Technical Services

<https://www.indiamart.com/genius-technical-services/>

We are well known **electrical, refrigeration and air conditioning contractor** having vast experience in these fields.

About Us

Established in the year **1983**, we, "**Genius Technical Services, Pune**", have successfully positioned ourselves as an **ISO 9001 certified** and prime organization, engaged in providing a comprehensive range of **Electrical, Refrigeration & Air Conditioning Contractor**. These services are highly appreciated for their reliability, flexibility, promptness, timeliness and cost-effectiveness. Our range of services is widely demanded in several industries.

We have appointed a team of efficient professionals, which acts like the backbone of the organization. These professionals put their endless efforts to provide unmatched services to the clients at market leading prices. Premium quality raw material and latest technology are being used in the process of providing services. They make sure that these services are rendered within stipulated time frame in compliance with the specific requirements of the clients. We also have quality inspectors, who supervise the services and ensure that these are in accordance with the defined industry standards.

Under the guidance of our mentor, "**Mr. Arjun Ghatge**", we have been able to stand at a formidable position in the market. His immense industry knowledge and constant motivation have enabled us to muster the trust of our clients spread all over the nation.
