Geometric Mould Tech

<https://www.indiamart.com/geometricmouldtech/>

We are leading manufacturer, exporter, supplier and wholesaler of a high quality range of Plastic Injection Moulds etc.

About Us

Established in the year **2010**, we, “**Geometric Mould Tech**”, are a prominent manufacturer, exporter, supplier, and wholesaler of a high quality range of Plastic Injection Moulds. We manufacture these moulds using high quality raw material, which is procured from trusted and recognized vendors. Available in various specifications, these moulds are extensively used in diverse industrial and engineering applications. We offer **Plastic Injection Moulded Components, Plastic Injection Moulds, Medical Components, Electronic Plastic Component**.

The expert panel of our quality controllers ensure that the moulds are in compliance with the industrial standards and norms. With the help of our sophisticated infrastructure, we have been able to offer a quality range at industry leading prices within the set period of time. Further, we also accept payment in various modes of cheque and DD, for the convenience of our clients. Under the guidance of our mentor, “**Mr. K. Vivekanandan**”, we have been able to reach a phenomenal height of success. His vast experience and rich knowledge of Plastic Injection Mould has enabled us to garner a huge clientele all across the globe. Some of our major markets include **East Europe, Central America, North Europe, and South/West Europe**.
