Gera Thermometer Industries was established in the year 1993. We are leading Manufacturer and Supplier of Clinical Thermometers, Heavy Liquid Hydrometers, Soil Hydrometer etc. It is providing different glass and other material instruments to the ...
About Us

“Gera Thermometer Industries” was incorporated in the year 1993. We are engaged in manufacturing and supplying a diverse assortment of Laboratory Equipment. Understanding customers’ needs and satisfying them to the fullest, we offer Thermometers, Digital Clinical Thermometer, Hydrometers, Glass Thermometers, Clinical Thermometers, Digital Thermometers, Surgical Equipments. Growing profoundly in the industry, we are able to deliver best range of products to our valued clients. The undaunted efforts and support of our mentor, Mr. Anil Gera helps in setting our own benchmark in the industry. He is a man with high moral values and disciplines, whose profound knowledge and experience in the respective domain facilitates the growth of the company by leaps and bounds. Carving an alcove in the industry due to the quality of our products, we are able to serve various industries in an efficient and effective manner. These laboratory equipment are widely applicable in beverage, petro-chemical, plastic, breweries, pharmaceutical, food and heat treatment industries for the purpose of temperature, pH and humidity measurements. As our core competency lies in the quality of these products, we have employed skilled quality analyzers to examine the quality of these products in every aspect. Our...
