

GfK Nielsen India Pvt.Ltd.

<https://www.indiamart.com/gfk-nielsen-india-pvtltd/>

Our world is changing fast. The increasing speed of product innovation, the rise of new channels, and emerging customer needs are all part of business today.

About Us

Our clients are businesses around the globe. To make the best possible business decisions every day, they need to know what is happening now – and in the future. They need more than purely descriptive data – business decision makers need actionable recommendations based on advanced analytics.
