About Us

GGs Meksel was established in the year 2014. We are leading Service Provider. We strive to fulfill the diversified requirements of the customers by rendering unparalleled Fabrication Service. For this, we have employed a deft team of expert professionals who monitor the entire execution process. Further, these professionals assure that the services are rendered in accordance with the global quality norms & standards.

Being a reputable organization of the industry, we are actively instrumental in providing superior quality Stainless Steel Fabrication Service to our valued clients. Under the guidance of our skilled professionals, we render these services by the use of progressive techniques and highest quality materials. Moreover, we provide these fabrication services to our clients as per their precise needs and requirements at cost effective rates.
