Over the few decades, the poultry industry has seen many changes. From backyard poultry in the early seventies, it has adopted modern farming techniques.

About Us

Ghazi Enterprise was established in the year 2001. We are the leading Exporter, Wholesaler, Trader, Service Provider, Supplier & Distributor. Over the few decades, the poultry industry has seen many changes. From backyard poultry in the early seventies, it has adopted modern farming techniques. Ghazi Enterprise has appeared as a major force to consider with in the chicken, sea foods, cold chain logistics industries. With products high on nutritional value, we have successfully set new ethics in quality and hygiene, making innovation and quality a way of life.

Ghazi Enterprise has emerged in the poultry sector and processed food industries with hatcheries, breeding farms, commercial broiler farms. We offer fresh, processed chicken along with a range of delicious, frozen chicken, prawns, frozen meat, sea foods and eggs. Our priority is not just creating food products but also delivering the maximum nourishment in order to build a healthier future for our nation. Excellence is our basic strategy for survival and strength for future growth.
