About Us

Gilard Radio Products Pvt Ltd., Promoted by Gilard Group, was established in year 1988 by conversion of **Gilard Radio Products**; a Partnership firm having its existence since 1960. The management of the company is highly experienced and technically compatible.

Right since its inception, the company has consistently been focusing all their resources for further research, development and up gradation of technology. It has come a long way to establish itself as a leading market player in terms of quality. All this could be made possible due to introduction of its best indigenous know-how and state of the art machinery coupled with the innovative mindset of highly competent and experienced personnel. Today the brand '**NG**' of the company is known by its name, which speaks volumes for the credibility and goodwill enjoyed by the company.

Gilard Radio Products (P) Ltd; a diversified multi products company, is known for its wide range of components with a range of 1800 varieties of components and substitute technological base encompassing a wide range of accessories for televisions, Computers, PA Systems, Tape recorders, Invertors and many other allied Audio/ Video equipments. '**NG**' Products resources have transformed the national / international needs of electronic components.

In order to meet the demand for nearly all-leading manufactures of B/W TVs, Colour TVs, Computers, PA Systems, VCD, DVD , Invertors, UPS, DTH Satellite...
