## About Us

Incorporated in the year 1986 at Surat (Gujarat, India), we “Ginza Industries Limited” are well-known Manufacturer and Supplier of a highly commendable range of Jacquard Fabric, Spandex Fabric, Elastic Tapes etc. We are a Public Limited company, which is established in the market by providing the best products since inception.

We design our offered products using utmost quality raw materials and other allied materials with the help of latest technology. The offered products are made in complete compliance with the set norms of the textile industry under the guidance of our highly skilled fashion designers. Our quality assurance department performs various checks on the entire range to eliminate defects if any. Moreover, we offer our apparels at market competitive costs to our valuable clients.

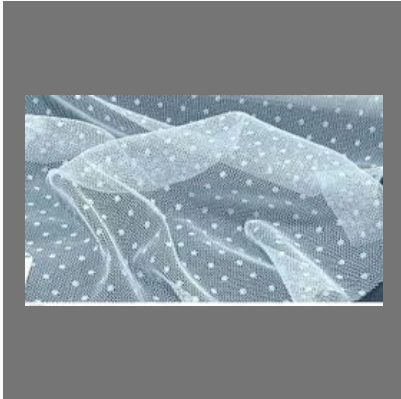

We have developed an advanced infrastructural unit. This facility sprawls over a wide area of land and is located at the key position that makes it easily reachable by any transport means. This facility is further divided into many subunits in order to have smooth and straightforward business procedures. All these subunits are well-equipped with the most recent technology and latest machinery. To handle this infrastructure in an organized manner, we have appointed a team of proficient experts. These experts hold immense expertise in their respected domain and are highly deviated towards attaining the set goals of the organization.
