Girish Surgical Works

https://www.indiamart.com/girish-surgical-works/

We are the prominent manufacturer and supplier of a wide variety of Surgical Products. These are highly appreciated in the market due to their optimum quality, superior finish and longer functional life.
About Us

Established in the year 1987, we “Girish Surgical Works”, a sole proprietorship firm, are the prominent manufacturer and supplier of a wide range of **Surgical Products**. These products are known for their corrosion resistance: **Surgical Monopolar Active Chuck Handle For Cautery, Electro Surgical Cautery Cords, Surgical Cautery Unit, Surgical Patient Plates, Physiotherapy Unit and Needle Set (Electrodes)**, Surgical Cautery Connectors, Vessel Sealing Clamp, Surgical Foot Switches, Bipolar Forceps, Conductive Pad and Short Wave Dathermy Pad. durability and high tensile strength. In addition, our products have superior finish, premium quality and longer functional life. Our various products are constructed using premium quality raw material, which is procured from the reliable and trustworthy sources of the market. Further, our vendors test their material on several parameters to ensure that these meet the set standards of the industry. In addition, our quality controllers also check the products on several parameters so as to ensure that they are flawless. We have a team of professionals who strive to fulfill their requirements of the clients by offering them tailor-made solutions. Due to the superior quality, our products are widely used in various hospitals. We have established a sprawling infrastructure in a vast area so as to meet all the needs of the patrons within the stipulated time-frame. Further, we have also developed a...
