About Us

GK Facility Services was established in the year 2009 in Secunderabad, Andhra Pradesh. We are the Services Provider of the Pest Control Services. Our Pest Control Services are widely acclaimed by our clients owing to their timely and effective execution, optimum results, environment-friendliness and safety from any kinds of hazards. We have a team of experienced employees supporting the involved operations, our business is also well backed by skilled industry experts who help us in providing eco friendly as well as highly effective services that are in line with client's expectations.

Additionally, our team have also gained expertise maintaining focus on removal of breeding sources, completely restricting pest entry & removal of different harbor areas of variety of insects and non-insect pest solutions. Today, with our impeccable quality services being widely popular in both residential as well as commercial domains, we are effectively able to contribute towards serving a safe and healthy environment for living with maximum hygiene and safety. Moreover, the cost competitive nature of our services has made us one of the most preferred service providers to deal with.
