About Us

The company was established in 1994 under the guidance of Late Prof G.K MITHAL. He was an academician of immense repute, well known in the field of electronics engineering. He authored several books in Electronics Engineering which are still widely acclaimed.

We are a test preparation company dedicated to bringing most complete accurate, and effective preparation for tests. Our books are shaped by thousands of students who turn to us for help on standardised tests. We provide formula books, study resources, study guides, sample test papers, and question banks to help students improve their performance in professional examinations like GATE, IES, IAS, CAT, MAT, CLAT, IIT, AIEEE, BITSAT, BSNL JTO, RRB, GRE, SAT, BANKING EXAMS and many more such exams. All our books are developed by certified education professionals with expertise in respective fields. We have also provided customised test preparation material to several IIT, AIEEE, GATE institutes in India and also course material for GCSE in Sri Lanka.

Besides books and published materials we have an online learning platform offering targeted practice exams with instant results and benchmarking.
