About Us

Commenced in the year **1998** at **Visakhapatnam, Andhra Pradesh**, we “**Glass Concepts**” are a **Partnership** based company, involved as the **trader** of **Glass Table, Glass Door, Decorative Glass, Automatic Sliding Door System** and many more. We ensure to timely deliver these products to our clients. Apart from this, we are also engaged in rendering **Fusion Glass Work**. Under the guidance of our mentor “**Mehul Patel (Partner)**” we have attained a unique position in the market. In its quest for perfection, we have invested deeply both in people and infrastructure, importing the latest equipment so that flair for craftsmanship is not compromised by shortcomings in technology. "where your inner desire for creative expression get translated into vivid & exquisite impression"
